Education 2020 to Conduct Community Survey

Author and educator Ivan Fitzwater once said, “The future of the world is in my classroom today.”

Every teacher in the Liverpool Central School District can tell you that Fitzwater’s sentiment is 100 percent true – in fact the district’s mission says it all – “Preparing our Students for Tomorrow... Today.”

Research shows, however, that students attending Liverpool schools right now will more than likely be hired as adults for jobs that don’t exist today.

With that in mind, the district’s Education 2020 Committee has explored the future of education in the district and the ever-changing needs of students.

For the last two months the committee has shared its efforts with the Liverpool community by hosting two listening sessions and sending a number of e-mails focusing on a variety of topics, such as the future job market and enrollment changes, as well as social and emotional challenges.

The district’s Education 2020 Committee would now like to gather the community’s thoughts on the district’s future by conducting a survey.

Now through July 1, community members can participate in the online survey by visiting www.liverpool.k12.ny.us/ed2020survey. Topics to be explored include program opportunities, class sizes, grade reconfiguration, facility use & costs, and mental health & safety. A similar survey was conducted with LCSD employees in November 2018 and some of the data collected during that survey is included in the community survey.

Those unable to complete the survey online can complete a paper copy of the survey at any LCSD school building or the Liverpool Public Library.

For more information regarding the committee’s efforts or the community survey, contact the Office of the Deputy Superintendent at 315-622-7148.

LHS Rowers Compete at National Scholastic Regatta

Members of the Liverpool High School Girls and Boys Crew Teams recently traveled to Dillon Lake, Ohio, to compete during the Scholastic Rowing Association of America’s 2019 Regatta. Both Boys Varsity Eight boats and the Girls Varsity Junior 8 Boat qualified for the Memorial Day weekend event.

Traveling to Ohio were senior Jack Aksterowicz, junior William Allen, junior Emma Baggett, junior Shayla Breckheimer, junior Julien Brownlow, junior Brayden Catalina, junior Elise Dougherty, sophomore Amanda Dwyer, junior Nate Gates, sophomore Delaney Gellert, sophomore Logan Herrmann, junior Peter Herrmann, junior Paige Hnatko, sophomore Isak Hurtic, junior Jack Hyde, junior Ondina Jones, sophomore Ismar Latifagic, sophomore Andrea Ledford, sophomore Emma Maturo, junior Erin McCarthy, junior Adi Meheljic, junior Curtis Merrick, senior Jessica Neuner, junior Brandon Nguyen, senior Brian Parker, senior Brodie Powers, senior Kyle Richardson, junior Allie Ross, junior Grace Ryan, senior Jack Sturtz, junior Ryan Wilhelm and junior Ian Wojcikowski. All three boats were impressive during the competition, with the Girls Varsity Junior 8 Boat just missing the semifinals (by 0.2 seconds) in a photo finish race.
Important immunization, Screening Changes for 2019-20

The Liverpool Central School District Health Office recently announced several important reminders for the 2019-2020 school year.

**Physicals**
The New York State Department of Education requires a health certificate or health appraisal of each public school student when they enter the school district for the first time; are in Grades K, 1, 3, 5, 7, 9 and 11; participate in interscholastic sports; need working papers; and are referred to the Committee on Special Education. Physicals expire one year from the month they were performed, on the last day on the month.

In addition, NYS law (Chapter 281) permits schools to request a dental examination in the following grades: school entry, K, 1, 3, 5, 7, 9 and 11. This examination will assess his/her fitness to attend school.

During the 2019-2020 school year, NYS will have only one acceptable health certificate/physical form for students. To download that form, visit http://www.liverpool.k12.ny.us/departments/health-office/physicals/.

**Screenings**
NYS mandates that health-related screenings be completed in LCSD schools each year.

Scoliosis Screenings will take place for boys in Grade 9 and for girls in Grades 5 & 7, while Hearing Screenings will take place in Kindergarten or New Entrants, Grades 1, 3, 5, 7 and 11.

Vision Screenings will take place for the following:

- **Color Perception:** New Entrants
- **Near Vision:** Grade K or New Entrants, Grades 1, 3, 5, 7, and 11
- **Distance Acuity:** Grade K or New Entrants, Grades 1, 3, 5, 7 and 11 (required in K whether or not that is the entry year for the district)

Vision and Hearing Screenings must be completed within six months of admission to school.

**Immunizations**
The NYS Department of Health recently announced that effective during the 2019-2020 school year, all students entering Grades 7, 8, 9, 10 and 12 must receive the meningococcal vaccine. Meningococcal disease causes bacterial meningitis and other serious diseases. Teens and young adults are at greater risk. While this is not a new vaccine (it has been recommended for years), it is required for school entry this fall. Please note that students who have received this vaccine in the past may still need a booster to start school. Parents and guardians should check with their family doctors to see whether or not their child needs the vaccine.

Additional immunization requirements can be found on the Liverpool Central School District Web site at http://www.liverpool.k12.ny.us/immunizations.

Questions?
Parents and guardians with questions regarding physicals, screenings or immunizations should contact their child’s school nurse.

Dombroski Participates in NLI Signing Ceremony
Liverpool High School senior Hanna Dombroski recently participated in a National Letter of Intent Signing Day ceremony at the Liverpool Golf and Country Club. Dombroski will join the Niagara University women’s golf team in the fall.

Registration Procedures for New Students

All students who are new to the Liverpool Central School District must be registered by their parents/guardians in person at the Registration Office, located in Room 29 of the District Office, 195 Blackberry Road. The office is open daily from 7:30 a.m. until 3 p.m.

Once the registration paperwork is complete, an appointment is arranged so the family may visit the school and meet with the principal and/or school counselor.

The following documentation is required to begin the registration process:

- Original Birth Certificate or Passport
- Up-to-date Immunization Record from Doctor (must include Doctor’s signature)
- Proof of Residency within LCSD (one of the following: current utility bill (electric), cable/satellite bill, water bill)*
- Parent Photo Identification

The following documentation may be required:

- Court Issued Custody Papers (if applicable)
- Form DSS 2999 for foster children
- Recent Report Card (if available)
- Copy of child’s IEP (if the child is receiving Special Education Services)
- Copy of child’s 504 Plan (if the child is receiving 504 accommodations)

Pre-registration can be completed online by visiting www.liverpool.k12.ny.us/parents/student-registration. Once this information is submitted, parents/guardians must visit the Registration Office to finalize registration. Please contact the Registration Office at 315-622-7193 with any questions regarding the registration process.

*If residing with an LCSD resident, a residential affidavit is required. Affidavits are available in the Registration Office and on our Web site.

Transportation Department

Important Back to School Information

While the 2018-2019 school year is coming to a close, the Liverpool Central School District Transportation Department is hard at work preparing for next school year.

Address Changes

Have you moved? Will you be moving this summer? If so, please contact the LCSD Transportation Department as soon as possible with your new address. Any changes received after July 29 could take up to two weeks to be processed and may not be completed when bus routes are sent to families on August 15.

Bus Routes for 2019-2020

The LCSD Transportation Department will mail letters to all LCSD families on August 15 notifying them of their child/children’s bus stops and route numbers.

Families with special needs students will receive an introductory phone call from their bus driver by August 30 to discuss their pick-up and drop-off information.

Letters will be mailed to Liverpool children attending parochial and private schools informing them of their pick-up and drop-off information, as well as letting them know where district transfer sites will be located.

If you have not received your letter by August 20, call the Transportation Department at 315-453-0287.

Drop Off Procedures for Kindergarten, First-Grade Students

The LCSD Transportation Department has adopted a policy to better ensure student safety.

Parents/guardians of kindergarten and first-grade students who ride the bus must complete the “Who Can Meet the Bus” form that specifies the individuals who they will entrust to meet the bus and make sure that their kindergartner or first-grader gets home safely.

District bus drivers will not allow a kindergartner or first-grade student to be left off at a bus stop without someone there to ensure that they get home safely.

To download the “Who Can Meet the Bus” form, visit the Transportation Department Web site at www.liverpool.k12.ny.us/page/transportation.

Celebrating the Class of 2019

The next four pages list, in alphabetical order, the candidates for graduation from Liverpool High School’s Class of 2019. The photos on pages 4, 5, 10 and 11 are of the top 60 students in the graduating class. The students are listed in order of class rank with the names of the colleges or universities they plan to attend.

The Liverpool Central School District believes in setting high expectations for its students, while seeking every imaginable way to support them on their path to continuous improvement.

The Common Core Learning Standards (CCLS) were introduced in 2010. The standards in English Language Arts and Math for students in grades K-12 represent a set of expectations for student knowledge and skills, and guide students to success in college and careers. Along with these standards were instructional shifts in both ELA/Literacy and Math that were enacted in the classroom.

Each year, in grades three through eight, students take state assessments in English Language Arts and Math. In grades four and eight, students take state assessments in Science. At the high school level, students take Regents and Common Core exams in a variety of subject areas.

The first round of ELA and Mathematics tests based on the CCLS were given to third- through eighth-grade students in the spring of 2013. These new tests were different than those given previously, and reflected the CCLS. The ELA test measured reading, writing, listening and speaking, while the Math test measured major content areas such as numbers and operations, and measurement and data. LCSD students have been taught their lessons according to the CCLS, and have practiced on assessments that measure their ELA and Math skills.

Grade 3 to 8 Exams are assessed using a Level 1 to 4 system with Levels 3 and 4 being at proficiency level. For Regents and Regents Common Core (CC) Exams proficiency is a score of 65 percent or higher.

On pages 12 and 13, you will find an outline of the ESSA accountability status, as well as the NYS Test Program and the NYS Regents Exam results for the 2017-2018 school year. Refer to engageny.org for additional information about the NYS assessments.

**ESSA Accountability**

The Every Student Succeeds Act (ESSA) is the main federal law for K-12 Education and aims to ensure all children receive a quality education. The law requires that states hold public schools accountable for how students achieve. ESSA promotes educational equity, which means that all students succeed and thrive in school no matter who they are, where they live, or where they go to school. The accountability system classifies schools into one of three categories: In Good Standing, a Comprehensive Support and Improvement (CSI) school, or Target Support and Improvement (TSI) school. For more information regarding ESSA Accountability, visit [http://www.nysed.gov/accountability/essa-accountability-designation](http://www.nysed.gov/accountability/essa-accountability-designation).

LHS Athletic Hall Inducts Seven

On June 2, the Liverpool High School Athletic Hall of Fame’s Board of Directors honored seven new members for their contributions to LHS athletics.

**Emily Burns** (2013) was a four-year starting midfielder for the LHS field hockey team. She earned Second Team All-State honors her freshman year, as well as First Team All-League and First Team All-State honors her sophomore, junior and senior seasons. Burns was named Team Midfield Most Valuable Player her junior and senior years, as well as High School All-Regional Player and All-CNY Player of the Year her senior year. Her field hockey teams won four league championships & three sectional titles. In one of the team’s two Final Four appearances, Burns scored the game winning goal in overtime to send the team to the state championship game. She was named a scholar athlete four times, earned the State Tournament Sportsmanship Award, received the News Channel 9 Athlete of the Week award, and served as team co-captain. After graduating from LHS, Burns played field hockey at Mercyhurst where she was named to the All Pennsylvania State Athletic Conference First and Second Teams and received Second Team All American honors twice. In 2014 she was the Mercyhurst Female Athlete of the Year.

**Robyn Capoto** (2006) was a four-year starter for the LHS girls basketball team, where she was named team captain and Most Valuable Player three times. She earned First Team All-League honors three times and All-NY Team honors her senior season. She is a member of the Central New York 1,000 Points Club and is the second all-time leading scorer in Liverpool history with 1,040 points. In addition to playing for LHS, she was selected to participate in the Empire State Games once and the Zebra Classic three times. Capoto went on to play basketball at Hobart William Smith and is now in the sports care medicine and physical therapy field.

**Shane Carni** (1988) was a member of the wrestling and football teams at LHS. He won the 1986 Section III wrestling championship at the 167-pound weight class and finished his senior season with a record of 24-2. Carni also was a three-year starter for the football team and was co-captain of the 1987 team that went undefeated (10-0) and finished the season ranked #1 by the NYS Sports Writers Poll & 18th overall in the USA TODAY High School Football Poll. That season he led the Warriors with 114 tackles (21 of which were recorded during a game against Auburn) and anchored a defense that allowed only 104 points for the season. He was named Third Team All-NY State Linebacker (1986) and First Team All-NY State Linebacker (1987), and also earned First Team All-Region honors at linebacker from the Syracuse Newspapers and CNY High School Coaches in 1986 and 1987. He was selected to play in the 1987 John Arcaro All Star Football Game and received a football scholarship to play at the University of Delaware. Later Carni started and excelled at linebacker at Alfred.

**Chris Ludden** (1987) is possibly one of the greatest rowers to graduate from LHS. He was a member of the US Junior National team that placed second at the 1986 World Championships in Czechoslovakia and first at the 1987 World Championship in Germany. After LHS, he rowed at Syracuse University where he served as co-captain and placed third in the nation in the Varsity Eight. Ludden was a member of the 1990 national men’s team that won a silver medal in the Olympic Festival as well as a member of the 1991 US National Team that won a silver medal at the Pan American Games. He is a five-time gold medal winner at the Canadian Henley Regatta and a four-time US Rowing National Team National Champion. Ludden has been the Baldwinsville varsity girls rowing coach since 2006. His teams have gone on to great success including a second place finish in the Girls’ Junior Four during the 2014 National Championships and a third place finish for the Girls’ Senior Four in the 2015 National Championships. From 1999 to 2003 he served as SU’s assistant rowing coach.

**Adam Niekras** (2003) was a member of the LHS gymnastics and diving teams. He was a four-time OHSL AND Section III gymnastics champion. He earned OHSL championships in floor exercise (1999, 2000) and pommel horse (2001, 2002), as well as Section III championships in the horizontal bar (1999, 2000, 2002), pommel bar (2000), floor exercise (2001, 2002) and high bar (2002). He was selected to participate in the Empire State Games from 1997 to 2000. As a member of the varsity diving team from 2002-2003, Niekras placed second in Section III, 11th in New York State, and earned All-American honors in 2003 (the first Liverpool diver to earn that recognition). He was selected for the Empire State Games and served as a Varsity Club representative. Niekras was appointed to the US Naval Academy and was a four-year member of the academy’s diving team. He was named to the All Patriot League Team four times.

**Doug Nunn** (coach) was a physical education teacher for 30 years, a modified track coach for 19 years and a soccer coach for 33 years (13 at the junior varsity level and 20 at the varsity level). His overall soccer record was 438-131-41, which included winning eight league titles & three sectional titles and competing at two regional finals. Nunn’s teams were NYS Class AA finalists in 2002 and 2003. He was a dedicated and compassionate coach, who not only taught his players how to become better at the game of soccer, but taught them life lessons… respect, leadership, teamwork, and integrity. Lessons that will go far beyond the soccer fields.

**Dominick Spataro** (coach) was a physical education teacher for 30 years, a softball coach for 27 years, a football coach for 20 years (17 years as an assistant varsity coach and three years as a head varsity coach) and a junior varsity basketball coach for five years. He earned 510 wins as head softball coach, including eight league championships, eight section championships and three regional championships. His teams also earned three trips to the Final Four and were ranked in the NYS Top 10 for seven years. In addition, he held hitting and pitching intramurals for Liverpool softball players of all ages on weeknights and weekends throughout the winter months and coached travel teams each summer. One would be hard pressed to find a coach that worked harder, had a stronger will to win, and prepared his teams better. He poured his heart and soul into his players, his teams, his program and his facilities- every one of which is exponentially better off now than when he began three decades ago.
Six Liverpool Central School District (LCSD) fine arts alumni, mentors and contributors were inducted into the Liverpool Fine Arts Hall of Fame on May 2. The hall of fame is sponsored by VITAL (Vision in the Arts at Liverpool).

**Jack Esterson** (alumnus) is an architect and principal in the Brooklyn-based design collaborative Think! Architecture. He has practiced architecture in New York City for 43 years with a focus on an artful and humanist design approach to communities, particularly those traditionally underserved neighborhoods. His prior background in fine arts has added to his passion for the place where art, technology and social benefit intersect. Esterson flourished in every arts course he could take at Liverpool High School. After graduating in 1970, he attended Pratt Institute in Brooklyn for architecture & fine arts, and later returned to join the design faculty. His projects have won numerous design awards and have been widely featured in the design press. He received the 2015 NYS AIA Excelsior Award for Public Architecture for his community-based work. He now lives in an art-filled historic townhouse in Clinton Hill with his husband Richard of 33 years, and is an avid supporter of the arts in Brooklyn.

**Mary Lohr** (alumnus) began taking private piano lessons in 1949 and clarinet lessons at Liverpool Elementary in 1953. She graduated salutatorian in 1959 from LHS and magna cum laude in 1962 from Syracuse University with a bachelor’s degree in music education. From 1962 to 1965 she worked for the Baldwinsville Central School District as an elementary vocal and instrumental music teacher. In 1968 Lohr became the organist at St. Paul’s Lutheran Church, allowing her to use her voice and instrumental talents in performance, composing, leadership, and mentoring. Lohr and her husband, former Liverpool music teacher Don Lohr, were the dynamic duo at church for 48 years. Currently she is celebrating her 51st year at St. Paul’s and serves as music director. She was director of youth musicals for Lutheran Festivals of the Arts and lent her vocal and instrumental talents in performance, allowing her to use her voice and instrumental talents in performance, composing, leadership, and mentoring. Lohr and her husband, former Liverpool music teacher Don Lohr, were the dynamic duo at church for 48 years. Currently she is celebrating her 51st year at St. Paul’s and serves as music director. She was director of youth musicals for Lutheran Festivals of the Arts and lent her

**Betsey McGee** (mentor) is a graduate of LHS where she performed in the Symphonic Band, Symphonic Orchestra and Concert Chorale (earning All-County and All-State honors). She also performed in the LHS Rock Ensemble, Jazz Band, and the annual Casting Hall & musical productions. McGee was employed in Liverpool as an elementary general music teacher for nearly 38 years, most of which were at Wetzel Road Elementary. McGee participated in a number of extra-curricular and summer activities as a teacher, including All-District Chorus, solo festivals and Summer Music Camp. She also mentored high school students while rehearsing for nearly 20 musicals. McGee works with performance venues and arts advocacy groups such as the Cultural Resource Center, VITAL, CNY Flute Choir and the Talent Showcase at the New York State Fair.

**Dr. Mark F. Potter** (contributor) joined the Liverpool Central School District in 2007 (after spending 24 years in the Altmar-Parish-Williamstown School District). Initially, Potter was hired as the acting director of health, physical education and athletics and later transitioned into the executive director for secondary education position. Currently, he serves as the superintendent of schools. Through the years, Potter has continued to maintain his ties with all aspects of student development… including the need to support all curricular, co-curricular and extra-curricular programs in Liverpool. As an administrator, teacher and a coach, Potter believes children need a positive, nurturing environment which includes the involvement and commitment of quality, complimentary and supportive relationships from adults, appropriate learning spaces, and necessary resources - all leading to the successful growth and development of contributing members of the school community.

**Lisa Zippi** (mentor) retired from Long Branch Elementary where she taught elementary and vocal music. Previously, she taught music in both the Phoenix and West Genesee school districts. She is an alumnus of LHS and obtained her teaching degree with a concentration in piano from the Crane School of Music at SUNY Potsdam. She completed her master’s degree in education at Oswego State. Zippi founded and directed the community group Liverpool Youth Voices, and was a previous recipient of the Syracuse Symphony Music Educator Award for classroom music. She has enjoyed directing, managing and accompanying numerous All-District and All-County choral concerts and festivals. Currently, she teaches private piano and performs for various functions throughout CNY as a solo pianist.
LCSD to Offer Summer Meal Program at Four Locations

This summer, the Liverpool Central School District will once again provide free meals to children. The summer meal program will be held at four locations:

**Long Branch Elementary (4035 Long Branch Road)**
- **Dates:** July 1 to August 16 (closed 7/4 & 7/5)
- **Breakfast:** 8:30 to 9 a.m. (Monday - Thursday)
- **Lunch:** 12:30 to 1 p.m. (Monday - Thursday)

**Chestnut Hill Elementary (200 Saslon Park Drive)**
- **Dates:** July 8 to August 9
- **Breakfast:** 8:30 to 9 a.m. (Monday - Thursday starts 7/15)
- **Lunch:** 12:15 to 12:45 p.m. (Monday - Friday)

**Donlin Drive Elementary (299 Donlin Drive)**
- **Dates:** July 15 to August 9
- **Breakfast:** 8:30 to 9 a.m. (Monday - Thursday)
- **Lunch:** 12:15 to 12:45 p.m. (Monday - Friday)

**OCM BOCES (4500 Crown Road)**
- **Dates:** July 8 to August 16
- **Breakfast:** 8:30 to 9 a.m. (Monday - Friday)
- **Lunch:** 11:30 a.m. to 12 p.m. (Monday - Friday)

Any child under age 18 may participate in the summer meal program. There are no income eligibility guidelines and registration is not required. Paid for through federal government funding, the program does not impact local taxes. For more information contact the LCSD Food Service Department at 315-622-7172 or visit www.liverpool.k12.ny.us/page/foodservice.

LHS to Hold Secondary Summer School at Annex

The Liverpool High School Summer School program for ninth- through 12th-grade students will be held at the Liverpool High School Annex this summer.

The first day of summer school will be Monday, July 8, and the last day will be Monday, August 12. First block begins at 8 a.m. and second block ends at 12:12 p.m. Students are expected to be at the building, ready to enter, by 7:55 a.m.

New York State Regents exams will be administered on Tuesday, August 13, and Wednesday, August 14. Graduation will take place on Thursday, August 15.

School counselors will contact parents to register students for summer school. Parents do not need to come to the building for registration to occur.

Parents and students will sign the summer school 2019 Attendance Policy and fill out the medical information card during the first week of summer school.

Please note that the attendance policy will be strictly enforced.

Questions regarding summer school may be directed to the student’s school counselor or to Principal Michael Olley, Principal Kathleen Beckwith or Principal Harmony Booker-Balintfy by calling the high school at 315-453-1500.
